Manufacturing experts

Jonesco are the trusted brand for storage suppliers across the globe.

Our story began in 1967 on Adelaide Street near Preston city centre in the UK. It is safe to say we have grown a bit since then.

Doing things better is why Jonesco exists. It is why we deliver the products you need, whenever and wherever you need them. Working Smarter. Not harder. Our rotationally moulded products can be found worldwide and our uncompromising commitment to quality means they are made to last.

Jonesco's headquarters are in Preston, Lancashire, UK with a subsidiary in Seclin, France. Our chain of distribution covers over 60 countries and spans every continent. We're truly global but we've not lost our family touch.

SitePoint

The SitePoint is a customisable mobile display and storage unit. Available in a choice of four colours the SitePoint has a large two-sided 1060 x 580 mm display area and a 100 litre capacity storage base. Easily fix items to the backboard using self-tapping screws or bolts (not included). Manoeuvrability is made easy thanks to its easy tipping point and large wheels. Full colour logo plates available.

UniKart

Versatile, robust and durable. The UniKart is the ideal multi-purpose mobile storage unit. Ergonomic handles and large rubber wheels make for easy handling and manoeuvrability. The UniKart's lid can be secured in a vertical position for convenient dispensing and loading. Full colour logo plates available.

Static storage

Small, medium and large storage boxes available in different capacities ranging from 110 to 500 litres. Strong and durable, Jonesco's storage boxes are capable of withstanding harsh climates. Full colour logo plates available for certain boxes.

Lockable storage

Our market leading range of strong, durable and modern toolboxes. Each box has a recessed lid and automotive grade rubber seals to minimise water ingress. The ergonomic flip handles allow for quick and easy access and are secured with key operated locks. Full colour logo plates available for all boxes.

Emergency response box

The emergency response storage box is specifically designed for rapid deployment in any given situation. Available in 'international orange' as standard for increased visibility on helipads and runways. The box is also fitted with a rubber seal to minimise water ingress, two plastic toggles for secure closure and two stainless steel handles for easy portability. Full colour logo plates available.

Small storage containers

Safely secure your A3 or A4 documents with our square or cylindrical storage containers. The cylindrical container has a screw top lid with a rubber seal to minimise water ingress. The square container has a 180° opening lid, ideal for storing A4 folders.
